

# WEST COAST LUMBER INSPECTION BUREAU

Mill No. 660

## MILL CERTIFICATION

This certifies that

**MERCER TIMBER GmbH**

is fully qualified by WCLIB to heat treat lumber in conformance with the requirements of the International Plant Protection Convention (IPPC) Guidelines for Regulating Wood Packaging Material in International Trade and the American Lumber Standard Committee Enforcement Regulations for heat treated lumber. The lumber is heat treated to a minimum wood core temperature of 133 degrees F. (56 degrees C.) for a minimum of 30 minutes.

It is effective subject to the following conditions:

It is void if this mill terminates WCLIB service.

It is revocable at any time the holder fails to maintain the required standards.
